

Product Specification Sheet

Product Name: Insoluble Saccharine

Country of Origin: China

Product Specification:

Sr No.	Parameter (Determination)	Specification
1	Description	White Crystalline Powder,
2	Solubility	As per BP
3	Identification	As per BP
4	Melting Point	125-128 C
5	Acidity	Not More Than 0.1mg/gm
6	Appearance of Soln.	As per BP (10% Soln)
7	Related Substances TLC	As per BP
8	LOD	Not More Than 0.5%
9	Sulphated Ash	Not More Than 0.1%
10	Assay By Chemical	99 to 102%

Product Shelf Life: 1 Years from the date of Manufacturing

Packing: 25 Kg Paper laminated HDPE woven sacks bag with inner liner

Applications of Insoluble Saccharine

- Soft Drink and Beverages
- Food Additives
- Pharmaceuticals
