power your
beverages
with the
benefit of nature

created by nature.
recreated by us.

Keva presents the Natural Flavours range. By using ingredients procured from the world's best sources, we ensure each finally created flavour tastes and smells exactly like it does when found in nature. Better yet, the flavours retain their natural-ness, so to speak, even in difficult processing conditions.

quality & safety.
things you needn't
worry about.

All our Natural Flavours undergo extremely stringent quality control processes before they make their way into beverages. Our flavours are produced in a facility which adhere to:

- **FSSC 22000**
 - ISO 22000-2018
 - ISO/TS 22002-1:2009
 - Additional FSSC 22000 requirements
- **ISO 9001:2015**
- **FSSAI (Food Safety and Standards Authority of India) licensed facility**
- **Halal and Kosher certifiable**

go natural. go global.

People all over the world are looking at life through a healthy lens. By creating natural flavours from the best of natural ingredients we help develop food products which are tasty, healthy and natural.

curious by nature.
intriguing by flavour.

Our entire process of flavour creation is driven by curiosity. In other words, we conduct extensive research and development to create the next flavour masterpiece. By excelling in food science and engaging artists, evaluators, consumer opinion researchers and subject matter experts, we create compelling Natural Flavours.
