

## Natural Isolates

Cis-3-Hexenol  
Citral Ex Lemongrass  
Geraniol Ex Palmarosa  
Linalool Ex Basil  
Anethole Ex Basil  
Estragole Ex Basil  
Patchouli Heart  
Patchouli - 75  
Patchouli Crystals  
Vetiverol  
Cypriol Heart  
Cyprene

## Natural Specialities

Cis-3-Hexenyl Acetate  
Cis-3-Hexenyl Butyrate  
Cis-3-Hexenyl Benzoate  
Cis-3-Hexenyl Salicylate  
Geranyl Acetate  
Geranyl Butyrate  
Menthyl Acetate  
3-Octanyl Acetate  
Linalyl Acetate  
Vetiveryl Acetate  
Patchoulyl Acetate

## Our Capabilities for Key Products

Menthol Crystal  
Menthol powder  
Peppermint oil  
CIS and Easter

## Quality Assurance & Compliance:

REACH Registered and Certified with WHO-GMP, ISO 9001:2015, ISO 14001: 2004, FSSC 22000:2013, HALAL, HACCP, FDA, KOSHER, FASSAI in Food and Pharma.

## About

Arora Aromatics was a dream project started in 1976 in the heartland of mint cultivation of India, which later evolved to produce and supply high-quality Indian essential oils worldwide. Achieving an annual turnover of \$68 Million and garnering, 46 years of unforgettable experience in the industry, we maintain our position as one of the most preferred & major manufacturers and exporters of mint oil, essential oils and their Isolates from India. With a state of the art facility for production and packing, with sufficient inventories and feed-stock. We also have our own warehouse in New Jersey, USA with ready deliveries.

We have a government recognised star export house, with a manufacturing facility expanded over 20000 sq.mt.

Considering the global demand, we have now made our way to Europe to offer our high-quality products.

## Why Choose Arora Aromatics?

Single point for all Indian Natural Mint and Essential Oil needs.

Strategic business partners.

Competitive prices with excellent back up service.

Assured Quality to meet stringent requirements.

Reliable source for market intelligence.

Building strong and long-term customer relationships.

Winners of prestigious Accolades.

Situated in the heart of mint growing areas of Northern India, with plants & machinery, imported from Switzerland. As a brand, we focus & Invest in quality consistency. Equipped with a state of the art laboratory and R&D team, Arora Aromatics is at the top of its game. We have frequent & regular technology upgradation for efficient production. Arora Aromatics has a dedicated workforce of 85 workers with special measures taken to control contamination. We operate out of New Jersey, USA.
