Activ'Inside was created based on its founders' expertise in the botanical extracts industry of almost 30 years. Located in Bordeaux, France and comprising two integral divisions, Activ'Inside channels its wealth of knowledge and experience into innovative solutions.

Within the organization, Activ'Inside Ingredient spearheads the development of active ingredients, managing the entire process from **sourcing to proprietary scientific breakthroughs**. This business unit is dedicated to pioneering advancements in ingredient technology, ensuring the highest standards of quality and efficacy.

Complementing this, Activ'Inside Manufacturing operates as a **comprehensive food supplement manufacturer**, offering a 360-degree approach to product creation. With a commitment to **quality, transparency and a focus on meeting diverse consumer needs**, Activ'Inside Manufacturing delivers top-tier solutions tailored to the evolving demands of the market.

Together, these divisions within Activ'Inside represent a dedication to excellence, innovation, and customer satisfaction, making it a trusted partner for businesses seeking cutting-edge solutions in the botanical extracts and nutraceutical industries.
