

**LET YOUR FOOD BE
YOUR MEDICINE**

What is i-Sabi™?

i-Sabi™ is a 100% natural dietary supplement ingredient made from the plant rhizome of *Wasabia japonica*, more commonly known as wasabi. It is a member of the cruciferous vegetable family, which also includes powerful superfoods such as broccoli, cauliflower, kale, turnip, brussels sprouts, mustard, arugula, and radish.

Applications

i-Sabi™ can be formulated in dosage forms, including capsules, tablets, soft gels, gummies, powder blends and functional foods.

Considering various biological properties, i-Sabi can be used in various condition-specific formulations, as a stand-alone or as part of multi-ingredient dietary supplement formula.

Formulation Ideas

With a multitude of areas of health and dozens of mechanisms of action, this unique ingredient offers formulators a large tool chest. If you are looking for a way for your new or existing product to stand out in a crowd, consider i-Sabi™ for these areas of health:

-  **Healthy Aging ***
-  **Immune Health ***
-  **Gut Health ***
-  **Cardiovascular Health ***
-  **Sports Nutrition/Active Lifestyle ***
-  **Nervous System Support ***
