

COMPANY PROFILE

As a leading supplier and producer, we at Henry Lamotte Oils gain high-quality oils, vegetable butter, waxes, protein flours and oleoresins from nature's plenty. Our customers work worldwide in the industry sectors foods, cosmetics, pharmaceuticals, animal nutrition and care as well as chemistry and technology.

Selected suppliers worldwide, ongoing close contact with the raw material markets, our own production and storage capacities, comprehensive and customer-focused service, first-class proprietary quality control and product development combined with a wide range of quality accreditations guarantee our competitiveness.
