COMPANY OVERVIEW

About Us

Shihan Overseas Private Limited is a leading exporter of premium quality psyllium husks and psyllium husk powder, catering to international markets with a commitment to excellence and sustainability.

We have established ourselves as a trusted name in the industry through its dedication to superior product quality and customer satisfaction.

OUR PROCESS

Mission

At Shihan Overseas, our mission is to process and deliver the finest quality psyllium husks and psyllium husk powder to our global customers.

We are committed to excellence in every aspect of our operations, from sourcing the highest-grade raw materials to implementing cutting-edge processing techniques. Our goal is to promote health and wellness worldwide by providing natural, safe, and effective dietary solutions.

Vision

Our vision at Shihan Overseas is to be a global leader in the psyllium industry, recognized for our unwavering commitment to quality, innovation, and customer satisfaction.

We aspire to expand our reach, continuously enhance our products, and contribute to a healthier world.

Through sustainable practices and a dedication to excellence, we aim to set new standards in the industry and create lasting value for our customers, employees, and stakeholders.

CAMPANY VALUES

At Shihan Overseas Private Limited, quality and integrity are at the core of our operations. We ensure our psyllium products meet the highest standards through meticulous sourcing and advanced processing techniques. Our commitment to honesty and transparency fosters strong relationships with our customers, suppliers, and employees.

We prioritize sustainability, implementing environmentally friendly practices to minimize our impact on the planet. Innovation drives us to continually enhance our products and processes. Above all, customer satisfaction is paramount; we strive to exceed expectations with exceptional service and reliable delivery of superior quality psyllium husk products. These values guide us towards a future of continued growth and success.

WHAT WE DO

- ✓ **Psyllium Seeds:** We source and provide the highest quality psyllium seeds, known for their natural fiber content and health benefits. Our seeds are meticulously cleaned and processed to meet the rigorous standards of our global customers.
- ✓ **Psyllium Husk:** Our psyllium husk is derived from the finest psyllium seeds, offering a natural and effective dietary fiber solution. It's carefully processed to preserve its purity and efficacy, making it an ideal ingredient for health supplements and digestive aids.
- ✓ **Psyllium Husk Powder:** We produce psyllium husk powder by grinding the psyllium husk into a fine, easily mixable form. This versatile product is perfect for inclusion in dietary supplements, food products, and pharmaceuticals.
- ✓ **Psyllium Kha-Kha Powder:** Our psyllium kha-kha powder is a unique byproduct obtained during the processing of psyllium husks. It's valued for its specific applications in animal feed and other industries.
